Mennel offers seasonal jobs near you ...

Mennel is a wheat milling company that produces the best quality flour and bakery mixes for foods people enjoy every day, from breads and cereals to cookies and cakes. It's what's inside that makes them great, and that's us.

Since 1886, the company has been family-owned and operated for five generations and has more than 800 dedicated employees, and 30 sites in 6 states – making Mennel the 7th largest milling operation in the U.S. Today, Mennel has expanded and diversified with grain storage, milling, bakery mixes, contract milling and transportation/trucking.

Mennel is a progressive company committed to sustainability, caring for our employees, and supporting our local communities.

The best part about Mennel is that everyone knows how important their role is in bringing our best to the world's food chain."

Be a part of the team that only brings the best.
