ABOUT MENNEL

VISION

To be the leading provider of grain-based food solutions by blending legacy and innovation.

MISSION

To reliably deliver superior quality, uniformity, and service through strategic investments in our products, processes, and people.

PURPOSE

To nourish communities by providing grain-based foods at every meal.

PHILOSOPHY

At Mennel, we believe in doing right and bringing our best to our people who are helping to feed the world.

VALUES

Quality. Uniformity. Service.

Quality: We are committed to producing the finest flour and bakery mixes because Mennel has set the standard.

Uniformity: We deliver reliable and consistent products and services.

Service: We bring a special level of care and support because it's how we've operated for 140 years.

OUR STORY

The Mennel Milling Company is a flour milling operation that produces the best quality flour and bakery mixes that are essential to the foods people enjoy every day – from breads and cereals to noodles, cookies, and cakes. Trusted since 1886, Mennel has been family owned and operated for five generations, with the help of the hearts and hands of 1,000 dedicated employees.

As a progressive company, Mennel is committed to being a good steward of our environment and sustainability, an advocate for our family of employees, and a philanthropic member of our local communities.

Over the years, Mennel expanded beyond flour milling into grain handling, specialty packaging, bakery mixes, and transportation services to better serve customers across the food supply chain.

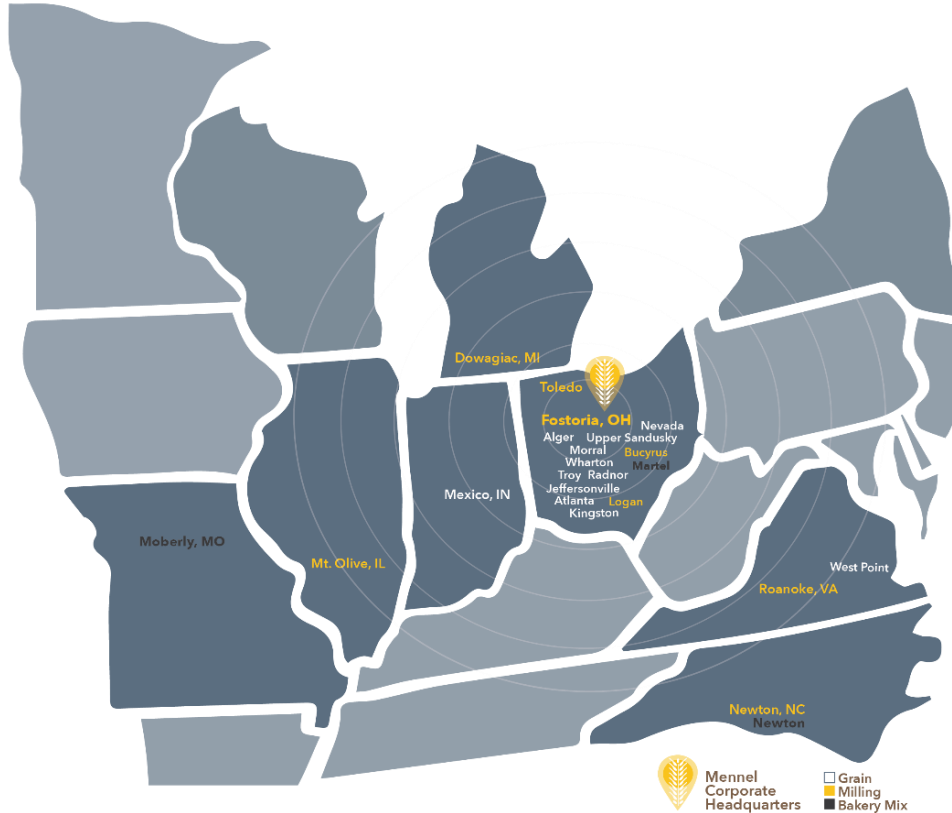

The people at Mennel are doing their part to contribute to the world's food chain with quality and integrity. *Bringing you our best.*

FUN FACTS ABOUT MENNEL

- Our flour is **used by 100s** of nationally known companies and independent bakers.
- It takes over **3,400 acres of wheat** production to supply our mills for one day.
- We've developed more than **900 unique flour recipes** to meet the needs of our loyal customers through the years.
- We continue to invest in **research and development** because our approach is custom, authentic, and we'd like to think, truly innovative.
- Although you won't see Mennel flour on your grocery shelf, **our flour is widely used in many brands** of cake mixes, cookies, snack crackers, breading, batters, gravies, soups, ice cream cones, pretzels, oriental noodles, and regionally branded breads that you would recognize.
- Our **bakery mix** is used by major food companies and popular restaurant chains.
- **We're well-known in the industry** and gaining momentum locally, regionally, and nationally too. And not just for flour and grain, but now bakery mix and so much more.
- We employ **our own transportation team** and offer **warehousing services** (through a partnership with Ohio Logistics) to ensure a seamless process for all our partners.

***FUN FACT:** Our current logo was designed by Adrienne (Mennel) Peak. Adrienne is an experienced graphic designer and is the sister of D. Ford Mennel (5th generation president) and daughter of Donald L. Mennel (former 4th generation president).*

LOGOS

High resolution artwork, different file types, and additional color variations of the logo (such as white for reverse imprint) are available.

Please contact the Marketing Communications department to request a copy – if you can't find what you're looking for in the folder or to discuss further.

Class 8 Truck Repair, BMP Maintenance Group, and MMC Transport maintain separate logos outside of the standard Mennel logo treatment.

***FUN FACT:** The line under “nel” is strategically placed to help with the pronunciation of our name. Mennel is who we are, and what people call us.*
